Dear Sir:

This paper accompanies a Petition for Revival of an Application for Patent Application Abandoned Unintentionally Under 37 C.F.R. § 1.137(b) ("Petition"). Also attached is a Request for Continued Examination ("RCE") and a request to enter the filed Amendment on July 19,

2004.

PATENT

It has come to the attention of the undersigned attorney that the Response After Final ("Response") mailed on July 19, 2004 was filed inadvertently without a RCE or Notice of Appeal, and that neither of these papers were filed before the deadline, August 18, 2004. Thus, the above-referenced application went abandoned as of August 19, 2004. Therefore, Applicants submit herewith a Petition and an RCE. Applicants submit that the failure to submit the submission of the RCE was unintentional. The papers submitted herewith have been prepared promptly after it was conclusively established that the application had been unintentionally abandoned. A Notice of Abandonment dated September 8, 2004 has been issued by the Patent Office. Applicants also submit the petition fee as set forth in 37 C.F.R. § 1.17(m) and the RCE fee along with an extension fee.

A three-month extension of time is hereby requested for the above-identified application. The required fee of \$950 less the 2 months extension fee submitted on July 19, 2004 (balance due \$530) is enclosed herewith. Any additional fees can be charged to our Deposit Account No. 02-4377. Two copies of this request are attached.

However, should any additional fee be required, or if any overpayment has been made, the Commissioner is hereby authorized to charge any fees, or credit or any overpayments made, to Deposit Account 02-4377. A duplicate copy of this sheet is enclosed.

Applicants' attorney points out that on three separate occasions, the Examiner in charge of this application was contacted via telephone to discuss the status of this case. In each conversation, the examiner stated that the case would not go abandoned until Applicants had an opportunity to respond to the Advisory Action, despite the fact that neither a Notice of Appeal

PATENT

nor RCE had been filed at the time of the filing of the amendment in response to the final Official Action.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Bradley B. Geist', is written over a horizontal line.
